

Foto ricordo per i migliori

Il vincitore di quest'anno: Bojan Šumonja di Pola

Le tele erano riparate dai tetti

Nonostante la pioggia che ha accompagnato quest'anno la 17.esima edizione dell'Ex tempore di Grisignana, il concorso internazionale d'arte più atteso in Istria promosso dall'Unione Italiana in collaborazione con l'Università popolare di Trieste, tantissimi amanti dell'arte hanno raggiunto la pittoresca cittadina sul colle per ammirare le 429 tele fatte in tre giorni da 380 autori. Un'apposita giuria dopo aver analizzato i lavori ha assegnato quest'anno il primo premio a Bojan Šumonja di Pola per l'opera "Ovce" (Pecore), secondo classificato il connazionale Bruno Paladin con il quadro "Geoplan bianco", terzo posto per Branko Kolaric di Rovigno per l'opera "Istarski kraj" (Paesaggio istriano). Il premio speciale città di Grisignana è andato invece alla pittrice triestina Loredana Riavini per l'opera "L'ombra del gelso".
